BACK TO SCHOOL
PRAYER

Dear God,

Thank you for the gift of my children.

Please **watch over them** as they go back to school, and protect them from negative influences.

Help them be a light to others, and help them show love, care, and respect to their friends and teachers.

Please **protect them** from bullies, but if they face one, **give them courage to stand up for themselves and for others.**

Help them to remember when they are scared or afraid, You are there with them. **As much as I love my children, You love them even more,** and I know You will be watching out for them.

PRAY FOR OUR CHILDREN

Time has brought about a change. Parenting is not what it used to be; families are not what they used to be; schools are not what they used to be, and values being taught to our children are not what they used to be. Knowing this, **please join me in praying for our children** as they embark upon another school year. I am praying for God to protect our children while they are out of our sight. May each classroom be free from disruptions, distractions, and from anything that is detrimental to learning, concentration, or personal well-being. May God help them to see the gifts and talents that He has given them and to use them to learn, improve, and be successful this school year.

Praying and asking God to help them be the best student they can be, help them to study well, give them the courage to ask questions if they don't understand what is being taught, help them to finish their homework on time and turn it in on time, and help them to understand the importance of not wasting the time given to them to learn.

Praying that God helps every child to stand tall against the peer pressures of the system, empowering them to make the right decisions that will be pleasing in His eyes; surround them with outstanding friendships that are positive and supportive influences to them this year.

Lord, protect our children from bullies, evil spirits, evil situations, and people that mean them harm. Help them to talk, understand, and work out their problems instead of teasing, arguing, and fighting with each other.

I am praying that they listen to the teachers, the instructions given, and to obey the rules given. Also, help them to be honest when tempted to cheat and to always tell the truth; to show Christian attributes to everyone, to make good friends, and to be a good friend to others.

“Remember to Reach”

Church, let us **remember** to **reach** out to our brothers and sisters who (for whatever reason) are **not** currently attending worship on a regular basis. God's question to Cain in Genesis 4:9 “...**where is your brother...**?” stands as a perpetual reminder in every generation that we are our brother's keeper. Therefore, let us take the time to: **call, visit, text, email, and pray** for those who need a word of encouragement. And remember — that for the grace of God, it could be you in need of encouragement (Gal. 6:1–2).
